MURANO AND GULLOTTI ARE PROUD TO PRESENT 'TO DIE FOR' - AN EXHIBITION COMBINING PAINTING AND SCULPTURE APPLYING DANIEL TRUSCOTT'S SIGNATURE SUPER POP AESTHETIC TO BRING COOL TO THE AFTER LIFE. THE IMAGERY IS SPOOKY, THAT OF GHOSTS MONSTERS AND DEMONS BUT NOT NECESSARILY PRESENTED THE WAY YOU WOULD EXPECT. "MY CENTRAL CHARACTER IS A GHOST. HE IS SCULPTED FROM STEEL AND I AM DOING SEVERAL PAINTINGS OF HIM AMONG OTHER THINGS. GHOSTS, SKULLS AND SPOOKY THINGS FEATURE HEAVILY. 'TO DIE FOR' IS A MEMENTO MORI, NOT INTENDED AS A GRIM REMINDER OF OUR MORTALITY, BUT AS A REMINDER TO LIVE LIFE TO ITS FULLEST. LIVE FAST, DIE YOUNG!"
